Building Inspector

Johnson County Planning, Development & Codes Department

Do you feel inspired to find creative new ways to make a difference? Are you looking for a place to work that encourages you to grow, innovate, and give back? Look no further. Johnson County Planning, Development, and Codes is looking for qualified applicants to fill the position of Building Inspector. There are currently two openings - one position is full-time and the other is on-call with a part-time variable schedule of up to ten hours on average per week.

The Building Inspector's primary job purpose is to be responsible for conducting building, plumbing, mechanical, electrical, energy, and zoning inspections of new construction and reconstruction projects, to ascertain compliance with the Johnson County Code of Regulations, project specifications, as well as the Johnson County Zoning Regulations, as directed by the Building Official. Come to work for Johnson County Government and you will find a workplace that will support your professional growth and provide collaborative and team oriented opportunities that will keep you challenged while helping our community. Johnson County also offers excellent health insurance, supplemental retirement plans, participation in Kansas Public Employees Retirement System (KPERs), and a variety of other benefits such as paid leave time for full time employees. **First review of application will begin on June 5, 2018.**

Johnson County is an equal opportunity/equal access employer and offers a competitive salary and benefits package. The expected pay range for this position is \$22.96 to \$34.44 per hour. For more details and to apply, please visit our website and apply online at jocogov.org.
