

CITY OF SHAWNEE, KANSAS
invites applications for the position of:

Codes Enforcement Officer I

SALARY: \$18.32 - \$20.70 Hourly
\$38,105.00 - \$43,056.00 Annually

OPENING DATE: 06/28/17

CLOSING DATE: 06/28/17 04:00 PM

POSITION SUMMARY:

This position performs technical responsibilities in ensuring compliance with applicable codes and ordinances of the City. Responsibilities include investigating complaints, writing violation notices, and performing follow-up inspections. General supervision is provided by the Codes Enforcement Supervisor, but work is performed with latitude for independent decision-making within guidelines of policies and procedures. The position involves frequent internal and external contacts that require considerable public relations skills in handling and may involve non-routine problems that require in-depth discussion and/or persuasion in order to gain concurrence or resolve problems.

POSITION RESPONSIBILITIES:

- **Code Enforcement.** Talks to residents, property owners, and business owners both in person and over the telephone, receiving complaints and answering questions. Investigates and observes alleged violations of City codes and ordinances, conducts inspections, and notes conditions. Identifies property owners, generates and sends written notices of violations, and establishes target dates for correction. Deals firmly and tactfully with property owners. Conducts follow-up inspections to determine if deficiencies have been corrected.
- **Court Activities.** Prepares case files and records for Municipal Court action in the event deficiencies are not corrected. Works directly with the prosecuting attorney to establish adequate evidence for conviction. Appears before the court and testifies as to the facts of the case.
- **Office Duties.** Performs general office duties including filing, answering phones, assisting citizens at the public counter and other related duties.
- **Records Management.** Maintains related files and prepares reports as required for the Codes Administration Division.
- **Policy Development.** Assists in the development of ordinances, procedures and policies for codes enforcement activities in the City.
- **Building Inspections and Permits.** Serves as a backup for inspecting residential buildings for construction code compliance. Serves as a backup for issuing building permits.
- **Training.** Assists with the supervision and training of employees in similar or related positions. Attends and participates in training; reads materials, journals and maps.
- **Emergency Operations.** Responds for snow removal and other emergency operations during off-duty times and during regular work hours when necessary to mitigate the emergency.
